

**ATTENTION – ALL COUNTY ATTORNEYS!  
TIME TO RENEW OR JOIN FACA**

---

Once again, it is time for the FACA membership drive. I encourage all county attorneys, as well as assistant county attorneys, to renew their membership or to become a new member of this professional association geared to county government practice. Our goal is to have 100% participation by every County Attorney's office again this year. 2009 saw 62 of 67 counties with representation in FACA, totaling 217 attorneys.

FACA membership benefits include the annual FACA continuing legal education (CLE) seminar, held in conjunction with the Florida Association of Counties Annual Conference. This year's seminar will be held June 30 – July 1, 2010, in Hillsborough County at the Marriott Tampa Waterside Hotel. A mid-year CLE seminar is available in the fall in conjunction with FAC's Legislative Conference. Participation in these CLE events is at no additional cost to FACA members.

The FACA Forum List Serv has proven to be a great communication and information sharing tool. You cannot participate in the List Serv unless you are a FACA member. So don't miss out on this great resource. 2009 also saw the creation of four practice area committees within FACA – Growth Management, Public Safety & Courts, General Governmental and Finance & Tax. These Committees are a great way to work collaboratively and network with your peers around the state.

The annual dues amount will remain at \$100 per attorney for an entire year. As you see, there are many benefits to your FACA membership in addition to the intangible professional and personal development and networking that is inherent to FACA.

Attached is an invoice for your convenience. If you have any questions, feel free to contact me or [Gail Ricks](#) at the FAC office at 850/922-4300.

David A. Hallman, President  
Florida Association of County Attorneys
