

## U.S. Communities is Here to Help

As you begin clean-up efforts and start to rebuild, U.S. Communities has many suppliers available to help. Working together with U.S. Communities and our suppliers, your agency can access valuable products and solutions to help with your recovery and rebuilding efforts. There are no minimum orders or commitments. All U.S. Communities contracts are competitively solicited by lead public agencies and include FEMA language to accommodate your agencies' requirements to utilize these contracts.

Whether you need rental equipment, facilities solutions or building materials, these suppliers offer **natural disaster recovery services and support**:

- **The Home Depot** – Recovery and Rebuilding Supplies and Support
- **Herc Rentals** – Equipment Rental
- **Safeware-Mallory** – Public Safety Products and Services
- **HD Supply Facilities Maintenance** – Recovery and Rebuilding Supplies
- **SupplyWorks** – Cleaning Supplies and Maintenance and Hardware Supplies
- **Graybar** – Electrical, Lighting and Telecommunications
- **Trane** – HVAC Products and Services
- **Garland** – Roofing
- **Cintas** – Facilities Solutions
- **And more...**

These suppliers can also assist with emergency response planning so you are prepared and ready if there is a future situation. For additional information, **contact your Program Manager** or one of our supplier partners directly to assist with your efforts.

---

## Hurricane Michael RPAs

<https://floridapa.org/> is now accepting Requests for Public Assistance (RPA) for Hurricane Michael. Please contact the Division's Deputy Recovery Bureau Chief Carter Mack at [Carter.Mack@EM.MyFlorida.com](mailto:Carter.Mack@EM.MyFlorida.com) with any questions or comments.

## Important Resources Readily Available to Floridians Impacted by Hurricane Michael

The Florida Division of Emergency Management (DEM) is actively communicating with our state and private sector partners to ensure individuals and communities impacted by Hurricane Michael are receiving the resources they need.

The State Emergency Response Team (SERT) has coordinated the establishment of 25 Points of Distribution (POD) in counties hit hardest by Hurricane Michael. PODs are places where the public can pick up emergency supplies following a disaster. These sites have food, water and other critical supplies. Click [HERE](#) for a complete map of POD locations.

In addition, major retailers in impacted communities have re-opened and are stocked with food, water and other important commodities. 18 Walmart, 24 Publix and 50 Dollar General stores are among the more than 400 individual retail locations currently in operation in impacted communities. Click [HERE](#) for a list of open businesses where food, water and other necessities are available for purchase.

---

## State/FEMA Disaster Recovery Center Open in Wakulla County

A disaster recovery center is now open in Crawfordville in Wakulla County.

Florida Division of Emergency Management and FEMA will open additional centers in affected [counties](#) in the coming days. The centers offer in-person support to individuals and businesses in counties designated in the Florida federal disaster declaration for Hurricane Michael.

Representatives from the State of Florida, FEMA, the U.S. Small Business Administration (SBA), and other organizations are at the centers to explain available assistance programs and help connect survivors with resources that best match their recovery needs.

The center is located at:  
**Community One Stop**  
**318 Shadeville Highway**  
**Crawfordville, FL 32327**

**Sunday through Saturday, 8am to 7pm local time**

Other centers will soon be open in affected areas. Survivors can view locations by using the [FEMA mobile app](#) or by visiting [FEMA.gov/DRC](#). Homeowners, renters and businesses should register for disaster assistance before visiting a recovery center.

---

## T-Mobile Invites You to Tour the Jacksonville Emergency Operation Center (JEOC)

On behalf of T-Mobile, you are invited to see first-hand the Jacksonville Emergency Operations Center (JEOC) located at [7025 AC Skinner Pkwy](#). The JEOC serves as the primary recovery center for all of North Florida. T-Mobile has assembled leading RF Engineers and crews, from across the United States.

What you will see:

- Meet local, regional and national T-Mobile leadership

- Experience the War Rooms supporting all recovery efforts
- Ask questions and gain insights into how wireless recovery services impacted communities and beyond

T-Mobile is the only network provider with a command center in Jacksonville. We anticipate (20) minute walkthrough and Q&A as long as required.

Please contact Brandon Reed at [SouthRegionAdvocacy@T-Mobile.com](mailto:SouthRegionAdvocacy@T-Mobile.com) for more information. Media requests should be sent to Kaitlin Craig at [Kaitlin.Craig9@T-Mobile.com](mailto:Kaitlin.Craig9@T-Mobile.com).

## UPDATE YOUR MOBILE NUMBER

### Disaster Declaration

Following Governor Scott’s request, President Donald Trump issued a Major Disaster Declaration for Hurricane Michael. See the declaration [HERE](#). On October 7<sup>th</sup>, Governor Scott declared a state of emergency in 26 Florida counties, and expanded it to include 35 counties total on October 8<sup>th</sup>. To see his Emergency Order, click [HERE](#).

Following a request by the Governor, the following counties have been approved for FEMA individual assistance:

- Bay
- Franklin
- Gulf
- Taylor
- Wakulla
- Calhoun
- Liberty
- Jackson
- Gadsden
- Holmes
- Washington
- Leon

FEMA approved individual assistance for these counties. This means families in these counties will be eligible for individual FEMA assistance.

### FEMA Assistance

Please see below for status and eligibility information for FEMA programming available to Florida counties affected by Hurricane Michael. For Public Assistance, the federal cost share is 75%, while the state and local cost shares are 12.5%.

**Transitional Sheltering Assistance, Individual Assistance, Public Assistance (Categories A and B):**

- Bay County
- Jackson County
- Gulf County

**Public Assistance (Categories A and B):**

- Jefferson County
- Madison County
- Hamilton County
- Suwannee County

### Individual Assistance, Public

#### Assistance (Categories A and B):

- Holmes County
- Washington County
- Calhoun County
- Gadsden County
- Leon County
- Liberty County
- Franklin County
- Wakulla County
- Taylor County

### Hazard Mitigation Grant Program

- All counties in the State of Florida are eligible to apply for assistance under the Hazard Mitigation Grant Program.

For various guides and fact sheets regarding procurement, permanent work and private property debris removal related to Hurricane Michael, visit the [FAC Website](#).

## County-to-County Mutual Assistance

We appreciate all the assistance being offered by counties across the state. In order to facilitate assistance, please make sure you are following the process outlined below.

For those counties requesting and providing county-to-county assistance in the aftermath of Hurricane Michael, the following process should be followed to ensure reimbursement:

- The requesting county should place a mission request in WebEOC for the specific assistance requested.
- One [Form B](#) to the [State-wide Mutual Agreement](#) specifying the type of aid should be completed between the two entities. Section I & III should be completed by the requester, and Section II should be completed by the entity providing assistance. A completed copy of Form B should be provided to Alonna Vinson at [alonna.vinson@em.myflorida.com](mailto:alonna.vinson@em.myflorida.com) and attached to the mission on WebEOC.

## Debris Removal

To reduce the administrative, operational and financial burdens on counties most impacted by the catastrophic effects of Hurricane Michael, FDOT will assist fiscally-constrained counties with all remaining debris removal and emergency road clearance.

In Holmes, Washington, Jackson, Calhoun, Gulf, Gadsden, Liberty, Franklin and Wakulla counties, FDOT is offering, following the county's voluntary request, to take on responsibility for each county's existing pre-storm emergency debris removal contract at the existing approved contract rate. For more information, please [click here](#).

## Voting

Gov. Rick Scott issued [Executive Order 18-283](#) last week which eases voting restrictions in Bay, Calhoun, Franklin, Gadsden, Gulf, Jackson, Liberty and Washington counties.

According to Scott's order, these eight counties have the ability to extend early voting days and to designate more early voting locations despite the deadline having passed.

In addition, the order also allows counties to send mail ballots to an address other than the address of the voter requesting a ballot and to provide mail ballots to a voter's immediate family member on election day without the need for a signed affidavit declaring an emergency.

Lastly, the order also directs the state Division of Elections and counties to work together to ensure delivery of mail ballots to the thousands of displaced emergency workers so that they can vote.

## Food and Water

- The state is working to ensure adequate food resources are available for Florida residents impacted by Hurricane Michael. Specific activities include the following:
  - Law enforcement escorts have been arranged to expedite food and water resources.
  - Approximately 11 million meals are being or have been distributed.
  - Approximately 3 million gallons of water are being or have been distributed.
  - Approximately 3 million pounds of ice are being or have been distributed.
  - Emergency Supply Distribution Centers, or Points of Distribution (POD), are places where the public can pick up emergency supplies following a disaster. These sites have food, water, and other critical supplies. Click [HERE](#) for a complete map of POD locations.

## Fuel

- There are no reported widespread fuel shortages.
- Florida SERT made first responder fueling depots available to utility crews across the Panhandle. This helps ensure that utility restoration trucks have the fuel they need so they can restore power faster.
- Approximately 250,000 gallons of fuel is staged to be distributed at fueling stations to support restoration efforts in the impacted areas.
- There are approximately 85 fueling trucks currently being used to distribute fuel.

## Communications

- Governor Scott laid out his expectations for telecommunications companies that are experiencing prolonged service outages in the areas impacted by Hurricane Michael. See the Governor's press release [HERE](#).
- Industry personnel are working to restore cell service and communications in the impacted areas.
- Communications support packages have been dispatched through the Commercial Service Providers and Florida National Guard to Holmes, Liberty, Jackson, Gadsden, Calhoun, Gulf, Franklin and Washington counties.
- The Florida Department of Management Services' (DMS) Division of Telecommunications has worked or is working 206 missions including deploying 15 public safety mobile communications trailers and towers, more than 1,000 public safety portable radios, approximately 75 mobile cell towers, hotspots, and Mi-Fi's, more than 3,000 cellular devices and more than 15 charging stations at shelters and comfort stations.

## Power Restoration

- Florida SERT made first responder fueling depots available to utility crews across the Panhandle. This helps ensure that utility restoration trucks have the fuel they need so they can restore power faster.
- Governor Scott directed the Florida Department of Transportation to organize, lead and mobilize push crews to expedite power restoration.
- Generators have been mobilized to impacted counties to bring traffic lights online, which will alleviate the need for law enforcement to direct traffic.

- Governor Scott also requested assistance from Manny Miranda, Florida Power and Light's Senior Vice President of Power Delivery, to advise and assist the state's power restoration efforts.
- To view the full list of Florida utilities with mutual aid agreements in place, click [HERE](#).
- The current power outage as of 3 p.m. is 47,710 accounts, down from approximately 400,000 after the storm.

## Shelters

- Currently 9 shelters are open with a population of 1,480.
- Visit <https://www.floridadisaster.org/shelter-status/> to find information on shelters in your area.

## Military Support

- At Governor Scott's direction, the Florida National Guard has authorized the activation of up to 4,000 Soldiers and Airmen to assist with response efforts.
- Following Governor Scott's visit to Tyndall Airforce Base (AFB) on October 18<sup>th</sup>, he sent a letter to President Trump requesting that he direct immediate action to dedicate resources, manpower and funding to return Tyndall AFB to full operations as soon as possible. To see the letter, click [HERE](#).
- Joint Task Force - Florida (JTF-FL) has been tasked with a total of 327 missions to date, and is currently executing missions in support of Florida Division of Emergency Management Hurricane Michael relief efforts.
- In the past 24 hours, elements of JTF-FL have supported various missions including (but not limited to):
  - Ongoing support of 19 security missions in support of local law enforcement agencies in Bay, Calhoun and Gulf counties.
  - Providing communications support packages to four counties (Bay, Calhoun, Gulf, and Jackson).
  - Supporting five Points of Distribution (PODs) throughout three counties (Bay, Calhoun, Jackson).
  - Liaison Officers operating in four counties (Bay, Calhoun, Gulf and Jackson).
  - Staffing the State Emergency Operations Center with 29 personnel.
  - Operating at the State Logistics Readiness Center in Orlando and two Logistics Staging Areas in Tallahassee and Marianna to ensure that supplies quickly get to those who need them.
  - Staffing a total of five shelter missions in Bay and Calhoun counties.

## Law Enforcement

- More than 2,000 law enforcement officers have been deployed to the impacted areas in the Panhandle and Big Bend. These officers have completed 338 missions.
- Approximately 150 officers and ten support staff, with appropriate equipment assets, continue to work recovery efforts in the panhandle.
- FWC officers will continue performing welfare checks, reconnaissance, public safety missions and assisting with debris removal. They are providing aid to areas of greatest need in Mexico Beach, Panama City, Marianna, Blountstown, Port St. Joe, Alligator Point and other areas that were severely affected by Hurricane Michael.
- Recent activities included assisting with emergency calls, delivering food, water, personal care supplies and baby supplies, removing downed trees and debris, checking on fuel depots and patrolling neighborhoods, business and schools.
- Officers proactively patrolled neighborhoods in the areas of Marianna, Grand Ridge, Two Egg, Greenwood and Sneads.

- FWC response teams are operating in 12-hour Alpha/Bravo shifts to provide 24-hour coverage in the affected areas.
- Seven members of FWC's Special Operations Group are working with members from the Division of State Fire Marshal conducting welfare checks on a list of residents with special needs in the affected areas.
- The Florida Highway Patrol has activated 12-hour shifts for field troops throughout Florida's Panhandle and Big Bend. This activation will result in regular days off being cancelled and 24-hour enhanced coverage.
- The Florida Highway Patrol has 576 state troopers assigned to the Panhandle and Big Bend area of Florida to assist with response and recovery. The Florida Highway Patrol has assisted with emergency management missions all across the Panhandle including the cities of Callaway, Lynn Haven, Panama City, Wewahitchka, Mexico Beach, Port St. Joe, Cape San Blas, Indian Pass, Apalachicola, St. George Island, St. Teresa, Carrabelle, Alligator Point, Marianna, Bristol, Altha, Blountstown, Tallahassee, Perry, Panacea, Crawfordville, Shell Point, Hosford, Quincy, Gretna, Chattahoochee, and Midway.
- The Florida Highway Patrol has completed 171 missions and has 26 active missions including (but not limited to):
  - The Florida Highway Patrol is providing security escorts to utility crews, commodity convoys and other response vehicles.
  - The Florida Highway Patrol is supplementing local law enforcement agency efforts with increased patrol of damaged areas.
  - The Florida Highway Patrol is providing traffic control and security at points of deliveries (PODs) for essential commodities.
- DHSMV's Florida Licensing on Wheels (FLOW) mobiles will continue to be in Bay, Gulf, Jackson and Liberty counties to offer driver license and motor vehicle services this week. Each day's schedule can be found on the department's [Facebook](#) and [Twitter](#) pages.
- Since Tuesday, October 16, DHSMV FLOW mobiles have served more than 800 customers seeking driver license, ID or motor vehicle services in the impacted areas.
- FDLE's Mutual Aid Team is coordinating 83 local and state agencies on 570 law enforcement missions assisting local agencies after the storm with search and rescue, patrols and traffic enforcement.
- 20 FDLE deployment teams are assisting local law enforcement in Bay, Gulf, Liberty, Washington, Calhoun and Jackson Counties. These teams are working missions like patrol and welfare checks.
- Division of Alcoholic Beverages and Tobacco officers are providing security at three disaster resource distribution points – two in Marianna and one in Cottondale.
- The Department of Management Services (DMS) opened a 1,000-person base camp at the Tallahassee Regional Airport for utility workers and first responders. The department's telecommunications providers will be supporting base camps throughout the impacted region.

## Safety and Security

- More than 1,200 search and rescue personnel have deployed to the impacted areas. Including:
  - Six water tender strike teams, fire engine water tankers;
  - One Ambulance Strike Teams;
  - Eight EOC fire liaisons to support EOC's impacted areas;
  - 11 fire engine strike teams with 60 fire engines and more than 250 firefighters;
  - Three Florida Fire Forest Service Incident Management Teams;
  - 42 TERT (Dispatchers);
  - One EVT (Vehicle Maintenance) team with three people; and
  - Nearly 200 ambulances with nearly 400 staff.

## Transportation & Public Works

- Portable generators were distributed to provide standby power to critical roadway intersections.
- Inspection teams were deployed to review roads and bridges to ensure safety for travel. All state bridges have been inspected.
- FDOT may suspend construction operations from the roadways in the counties under the state of emergency.
- FDOT issued Weigh Station Bypass letter to allow emergency response vehicles such as utility vehicles and bucket trucks to bypass all FDOT weigh stations.
- FDOT issued an Emergency Road Use Permit letter to relieve size and weight restrictions for divisible loads on any vehicles transporting emergency equipment, services, supplies, and agricultural commodities and citrus as recommended by the Commissioner of Agriculture.
- FDOT is coordinating with utility companies to coordinate post storm clean-up activities.
- FDOT is coordinating with the Florida Highway Patrol on bridge and roadway closures and detours.
- FL 511 includes a listing of closed state roadways and bridges at [fl511.com](http://fl511.com). This listing continues to be updated as additional state roads are inspected, opened, or closed and includes updated detour routes.
- U.S. 98 has reopened.
- FDOT is in the process of repairing and restoring damaged traffic signals in Bay County and the surrounding area.

## Recovery Branch

- An aggressive recovery effort is ongoing, working with FEMA to identify and activate federal grant programs that can benefit Floridians and their communities.
- To date, FEMA has approved nearly \$30 million in Individual Assistance.

## Public Health and Medical

- Following Governor Scott's request, the U.S. Department of Health and Human Services (HHS) has activated the federal Emergency Prescription Assistance Program, administered jointly by HHS and the Federal Emergency Management Agency (FEMA), to help families without health insurance impacted by Hurricane Michael receive prescription medications.
- Florida continues to communicate and monitor pharmacies in the affected areas and work to restore services with as little disruption to citizens as possible. Currently there are 53 pharmacy locations open and dispensing medication in the following counties: Bay, Calhoun, Gadsden, Gulf, Franklin, Jackson, Liberty, Okaloosa, Wakulla, Walton, and Washington.
  - To find an open pharmacy, go to [RxOpen.org](http://RxOpen.org), which maps open and closed pharmacies during disasters. The site also has locations of American Red Cross shelters and infusion centers in the affected communities.
  - For those with a [Medicare Prescription Drug Plan](http://www.medicare.gov), [medicare.gov](http://www.medicare.gov) recommends contacting the plan to find the nearest network pharmacy that is open. If one is unavailable, the plan can connect evacuees with an out-of-network pharmacy. Call your plan for more details and instructions. To find your plan's phone number, call 800-MEDICARE.
- At the direction of Governor Scott, AHCA Secretary Justin Senior sent a letter to Florida Healthy Kids requesting a waiver of premiums for the Children's Health Insurance Program (CHIP) and full pay enrollees premiums for the months of November, December and January. See the letter [HERE](#). The Florida Healthy Kids Board voted to waive the monthly premiums for November, December and January. This step assists the families of 5,604 enrolled children living in the impacted areas.
- Facilities can report their evacuation status to the Agency through the Emergency

Status System. An updated evacuation report can be found on the AHCA twitter page: [https://twitter.com/AHCA\\_FL](https://twitter.com/AHCA_FL).

- AHCA has activated the Emergency Status System (ESS) for health care facilities in the panhandle to continue to report their ongoing status including generators and utility company information, emergency contacts, and bed availability.
- All nursing homes and assisted living facilities are required to keep residents in a safe environment in an emergency to ensure the protection of resident health, safety, welfare, and comfort.
- For the comfort of the those impacted by Hurricane Michael, the state has deployed 39 shower stations, 61 cooling stations, 67 portable toilets and 42 laundry stations.
- The Department of Elder Affairs (DOEA) has deployed staff from their Pensacola and Tallahassee CARES Bureau offices to assist at Special Needs Shelters both in Tallahassee and other storm-affected counties. Most CARES staff are RNs, and they are helping with special needs and discharge planning of seniors and others at the Special Needs Shelters.
- DOEA's ombudsmen with the Long-Term Care Ombudsman Program (LTCOP) have been visiting long-term care residents who were evacuated out of the storm's path and have since returned in order to assess any unmet needs and offer assistance. They are also visiting those who are still evacuated and residing temporarily in other long-term care facilities.
- DOEA deployed staff to assist at the open Disaster Recovery Centers in affected regions and are providing information to the public on DOEA services and resources
- AHCA in coordination with DOH is in contact with hospitals and other health care facilities within the area of operations to determine operational status and resource needs.
- DOH is monitoring and supporting Special Needs Shelter operations through census reporting and resource support as requested by local emergency operations. Special Needs Shelter populations are decreasing slightly in the affected areas due to a return to normal operations. One Special Needs Shelter remains open in Pasco County (Pasco is a state consolidated Special Need Shelter).
- 208 ambulances and 73 paratransit vehicles are in the area of operations to assist with rescue operations, health care facility evaluations, local EMS augmentation and patient movement. The Patient Movement Unit has moved 3,382 patients since activation.
- A hospital augmentation team from the International Medical Corp has been activated including 50 nurses, two hospital emergency department teams and one hospital augmentation team is supporting one area hospital. Two Disaster Medical Assistance Teams are supporting two area hospitals. Hospital locations include: Panama city (Bay County), Blountstown (Bay County).
- There are currently 25 Active Boil Water Notices: Bay (4), Calhoun (1), Franklin (1), Gadsden (2), Gulf (5), Hillsborough (1), Jackson (6), Leon (2), Liberty (1) and Washington (2). To view boil water notices in your area, please visit <http://www.floridahealth.gov/environmental-health/drinking-water/boil-water-notices.html>.
- The Centers for Medicare and Medicaid Services announced steps taken to support Florida in response to Hurricane Michael, including:
  - Temporarily waiving or modifying certain Medicare, Medicaid and CHIP requirements.
  - Making special enrollment periods available for certain individuals seeking health plans offered through the Florida Health Insurance Exchange.
  - Helping patients obtain access to life-saving services such as dialysis.
- The Agency for Persons with Disabilities (APD) is continuing phone calls with Waiver Support Coordinators and providers to ensure the health and safety of APD customers.
- APD providers are helping APD customers access donated items and resources in affected counties. Providers are also assisting customers with the FEMA relief application process.
- With the exception of land line phone service and Internet connectivity, all utilities have been restored at the Clifford C. Sims State Veterans Nursing Home (SVNH). AT&T Operations informed FDVA that they would be onsite at the nursing home today, October 23, to work on restoring internet/landline service. Cell phone service continues

to improve.

- FDVA recovery contractor Serv-Pro continues to work at the nursing home. Serv-Pro management informed FDVA that their recovery tasks should be completed by November 5, 2018. Needed facility repairs and reconstruction will begin immediately after Serv-Pro finishes.
- FDVA Executive Director Glenn Sutphin and FDVA Legislative and Cabinet Affairs Director Roy Clark visited with residents and staff Monday morning at the veterans' home.
- The veterans' home is not accepting new admissions at this time. For more information, call 850-487-1533.
- VA Outpatient Clinics in Panama City Beach and Marianna are open with expanding service to area veterans. A Mobile Vet Center is also open in the parking lot of the Marianna VA Outpatient Clinic. The Jackson County, Franklin County, and Gulf County Veteran Service Offices have all reopened. The Bay County Veteran Service Office remains closed. Contact information for each county office can be found online at <http://floridavets.org/locations/>.
- Disaster Recovery Centers are planned in the impacted areas and FDVA Field Services Staff will provide information on local veterans' services once operational.
- DCF has ordered an early release of food assistance benefits for those Florida residents in the 35 counties included in Governor Scott's pre-landfall emergency order who would have received normal Supplemental Nutrition Assistance Program (SNAP) benefits between now and October 28<sup>th</sup>.
  - DCF also waived restrictions on purchasing hot prepared food with SNAP benefits through October 31 statewide to assist customers who evacuated to another area or suffered storm damage to their home.
- DCF is providing additional SNAP benefits for customers in Bay, Calhoun, Franklin, Gadsden, Gulf, Holmes, Jackson, Jefferson, Leon, Liberty, Wakulla and Washington counties. These benefits are now in the customer's accounts and accessible on their EBT cards. For more information, click [HERE](#).
- DCF is in the process of determining D-SNAP site locations for individuals who live in counties that have been approved for individual assistance. Once sites have been identified and secured they will be open for service to the public.
- A team from FEMA including experts from Homeland Security, the EPA, the Department of Defense, Health and Human Services, and the Army Corps of Engineers is now in Florida and providing federal assistance.

## Environmental Protection

- The Florida Department of Environmental Protection (DEP) has conducted post-storm assessments on high priority facilities. Two emergency final orders have been issued to ensure recovery efforts are not hampered or delayed.
- At DEP's request, the U.S. Environmental Protection Agency has waived certain federal requirements related to fuel use and distribution so Florida's recovery efforts are not hampered by supply disruptions.
- DEP has completed 120 requests and is assisting with 16 additional requests for assistance submitted through Florida's Water/Wastewater Agency Response Network (FlaWARN) in Bay, Calhoun, Franklin, Gadsden, Gulf, Holmes, Leon, Liberty, Wakulla and Washington counties, and has made outreach calls to 3,539 facilities to assess needs.
- In collaboration with the U.S. Environmental Protection Agency, a mobile sampling lab has been deployed to Bay County to fulfill water sampling needs.
- Drinking water and wastewater crews completed on site spot assessments and are conducting field work in the impacted areas.
- An online tool for the public to report the location of storm debris in waterways has been deployed; and 477 reports of debris have been received.
- 235 Disaster Debris Management Sites have been pre-authorized for the counties addressed by the Governor's Executive Order, with an additional 97 emergency sites approved in impacted areas.

- Florida State Parks strike teams are on site to clear debris and assist individuals in impacted state parks. 59 state parks have re-opened. Current Florida State Park closures can be found at <https://www.floridastateparks.org/StormUpdates>.
- DEP's Florida Park Service has opened areas to dry camp for self-contained rigs – usually parking lots without utility connections - at some state parks for evacuees on a first come, first served basis with waived overnight fees. A list of open parks and contact information to check for availability can be found at <https://www.floridastateparks.org/get-involved/storm-assistance>.

## Business and Industry

- The Florida SBDC Network and the U.S. Small Business Administration have opened Business Recovery Centers (BRCs) to assist small businesses impacted by Hurricane Michael. Small businesses can get assistance applying for state and federal business disaster loans. The following BRCs are now open:
  - **Bay County** (CareerSource Bay County City Job Center 625 Highway 231, Panama City, FL 32405. Monday - Saturday 9 am to 6 pm);
  - **Franklin County** (Franklin County Public Library 311 St. James Ave. Carrabelle, FL 32322. Monday - Friday 9 am to 6 pm. Saturdays from 10 am to 2 pm);
  - **Taylor County** (Super-Pufft Snacks 700 W Lance Drive Perry, FL 32348. Monday - Saturday 9 am to 6 pm);
  - **Wakulla County** (Wakulla County Community Center 322 Shadeville Highway Crawfordville, Florida 32327. Monday - Saturday 9 am - 6 pm);
  - **Liberty County** (Veteran Memorial Civic Center - Veteran Memorial Railroad ORG 10561 NW Theo Jacobs Way Bristol, FL 32321. Monday-Saturday 9:00 am to 6:00 pm);
  - **Gulf County** (Gulf Franklin Center of GCSC 3800 Garrison Ave, Port St. Joe Florida 33456 Monday - Friday 9 am to 6 pm. Saturdays 10 am to 2 pm);
  - **Washington County** (Washington County Chamber of Commerce 672 5th St Chipley, FL 32428 Monday - Friday 9 am to 6 pm. Saturdays 10 am to 2 pm);
  - **Gadsden County** (Havana Town Hall, 711 North Main Street, Havana, FL 9 am to 12 pm and Eugene Lamb Park, 420 Palmer Road, Midway, FL 1:30 pm to 4:30 pm);
  - **Calhoun County** (M & B 16908 NE Pear St, Blountstown Florida 32424 Monday - Friday 9 am to 6 pm. Saturdays 10 am to 2 pm).
- The Florida Department of Economic Opportunity (DEO) is working with the Capital Area Action Agency to allow them to repurpose some of the FEMA surplus trailers that are not currently needed for Eastpoint residents as a temporary housing solution for Franklin County residents who have been impacted by Hurricane Michael.
- DEO has begun to pull zoning maps for the impacted areas to assist in identifying temporary housing solutions.
- Governor Rick Scott announced that Florida has been awarded federal National Dislocated Worker Grants to provide temporary employment to Floridians affected by Hurricane Michael. This program is administered by the Florida Department of Economic Opportunity (DEO) and provides disaster relief employment in the form of temporary jobs that support storm response and recovery efforts. See the Governor's press release [HERE](#).
- Executive Director Cissy Proctor and members of the DEO Leadership Team are meeting with area businesses and CareerSource in Gadsden, Taylor, Calhoun, Liberty and Washington counties this week. Last week, DEO Leadership visited Bay, Gulf, Franklin and Wakulla counties.
- The Florida Department of Economic Opportunity, CareerSource North Florida, CareerSource Northeast Florida and CareerSource Okaloosa-Walton have provided mobile units with staff and resources, including laptops, satellite phones, and other supplies to allow CareerSource partners in the panhandle to begin assisting jobseekers and businesses as a part of the recovery efforts.

- At Board Chairman Kevin Doyle's request, the CareerSource Florida Board Executive Committee approved the allocation of an additional \$1 million to help coordinate and continue the work of the CareerSource Florida network to respond to and help Floridians and businesses recover from Hurricane Michael.
- The Florida Department of Economic Opportunity has made the Disaster Reemployment Assistance program available for Florida businesses and residents whose employment or self-employment was lost or interrupted as a result of Hurricane Michael. To file a DUA claim go to [www.FloridaJobs.org](http://www.FloridaJobs.org) or call 1-800-385-3920. Customer service representatives are available Monday through Friday 8 a.m. to 5 p.m. and Saturdays 8 a.m. to 3 p.m. Eastern Standard Time to assist claimants.
- DEO has launched the Small Business Emergency Bridge Loan Program to provide short-term, interest-free loans to affected businesses at [www.floridadisasterloan.org](http://www.floridadisasterloan.org). Eligibility changes to the program now allow for small business owners with fewer than two employees located in any of Florida's 35 counties impacted by Hurricane Michael to **qualify**.
- Disaster cleanup and other related job openings are now available at <http://disasterrecovery.employflorida.com> for businesses to post job openings and for individuals to find job opportunities.
- DEO has opened the Business Damage Assessment Survey for businesses impacted by Hurricane Michael. Businesses with damage should complete the survey at <https://www.floridadisaster.biz/BusinessDamageAssessments>.
- Businesses can also visit [FloridaDisaster.biz](http://FloridaDisaster.biz) to view tips for assessing storm damage and to register to receive updates on storm recovery.
- To help residents and emergency personnel stay connected following the storm, Comcast is opening its network of more than 8,000 Xfinity WiFi hotspots throughout the Florida Panhandle, including Tallahassee, Panama City, Panama City Beach and surrounding areas and the Dothan, Alabama area, to anyone to use for free, including non-Xfinity customers.
- The state has opened the Private Sector Hotline at 850-815-4925. The hotline is available for business inquiries about the storm, preparedness information and post-impact information.
- VISIT FLORIDA has activated the Expedia/VISIT FLORIDA Hotel Accommodation Web Portal to support evacuation orders and first responders. Visit [www.expedia.com/florida](http://www.expedia.com/florida) to find available hotel rooms.
- VISIT FLORIDA, in consultation with its Executive Committee, has finalized a post Hurricane Michael recovery marketing plan. This plan will include support for the impacted communities and protect travel to the unaffected areas of the state.
- Today, Governor Rick Scott announced that VISIT FLORIDA has developed and launched an extensive new marketing campaign to highlight the Sunshine State. This multi-phased campaign includes more than \$5.1 million to support the Panhandle following Hurricane Michael.
- Airbnb Open Homes is now active in Alabama, Florida and Georgia in response to Hurricane Michael. Visit [www.airbnb.com/HurricaneMichael](http://www.airbnb.com/HurricaneMichael) for open homes.
- The Florida Restaurant and Lodging Association provided thousands of meals to first responders, volunteers and residents in Calhoun, Gadsden, Leon, Liberty and Jackson counties, and well as clean linens to a shelter in Panama City.
- The Florida Retail Federation and the Florida Restaurant and Lodging Association continue to share disaster recovery information with their business affiliates.
- Department of Business and Professional Regulation (DBPR) offers a Hurricane Guide with information about recovery, and helpful hurricane-related resources. DBPR has shared the Guide on social media and it is available at [http://www.myfloridalicense.com/dbpr/documents/HurricaneGuide\\_web.pdf](http://www.myfloridalicense.com/dbpr/documents/HurricaneGuide_web.pdf).
- DBPR Division of Regulation investigators are conducting sweeps in impacted counties/areas along Highway 98, including Carrabelle, Apalachicola and Port St. Joe. They are also covering parts of Jackson, Gadsden and Wakulla counties. Sweeps include looking for unlicensed contractors and distributing signs warning that unlicensed contracting is a felony at this time.

- The DBPR Division of Alcoholic Beverages and Tobacco, pursuant to the Emergency Order of the Secretary (10.09.2018), has suspended deadlines through October 31, 2018 for filing monthly reports and returns required of licenses subject to monthly reporting requirements in Florida's beverage and tobacco laws. The Division is assisting impacted alcoholic beverage manufacturers and distributors with procedures for claiming an excise tax deduction relating to the extraordinary loss of product inventory at licensed premises severely impacted by Hurricane Michael.
- Florida Department of Revenue (DOR) Executive Director Leon Biegalski **announced** extended due dates for corporate income tax filers impacted by Hurricane Michael following the recent **declaration from the Internal Revenue Service** (IRS). Eligible taxpayers that file Florida corporate income tax returns, as well as Florida corporate income tax installment payments, with original due dates or extended due dates between October 7, 2018 and February 28, 2019 will now have a due date of March 15, 2019. Eligibility is based on the Federal Emergency Management Agency (FEMA) declaration of designated counties receiving individual assistance.
- In addition, DOR Executive Director Biegalski issued an **emergency order** to extend certain filing due dates for Florida businesses located in counties impacted by Hurricane Michael. The order extends the September and October 2018 reporting period due date for returns, reports, and payments for sales and use tax, tourist development tax, reemployment tax, fuel tax and several other tax types to Dec. 7, 2018. For more information, please visit <http://floridarevenue.com/Pages/media.aspx>.
- DOR has posted a webpage for customers regarding DOR-specific Hurricane Michael updates. To view the webpage, please visit <http://floridarevenue.com/Pages/hurricanemichael.aspx>.

## Education

- The Florida Department of Education (FDOE) is focused on restoring critical education-related infrastructure, monitoring for unmet needs and assisting districts and state colleges in securing necessary supplies.
- The Department issued guidance to school districts affected by Hurricane Michael regarding student services, including Homeless Student Identification, Immunization Verification, Educational Placement, Exceptional Student Education, and Student and Teacher Support. The guidance document is posted [HERE](#).
- FDOE issued a memo to superintendents in impacted areas to provide additional flexibility related to student reporting. The memo is posted online [HERE](#).
- Some schools in impacted areas, as well as Gulf Coast State College, are without power. FDOE is coordinating with the associated utility providers to ensure power is restored to these essential buildings as quickly and safely possible.
- All impacted school districts have announced reopening dates:
  - Bay will reopen no later than the week of November 12.
  - Calhoun will reopen Monday, October 29, for staff and Thursday, November 1, for students.
  - Franklin reopened today, Tuesday, October 23, for students.
  - Gulf reopened today, Tuesday, October 23, for students.
  - Jackson will reopen Friday, October 26, for staff and Monday, October 29, for students.
  - Liberty plans to reopen Wednesday, October 24, for staff and Monday, October 29, for students.
  - Washington will reopen Tuesday, October 23, for teachers and Wednesday, October 24, for students.
- The following state college and university are closed until further notice:
  - Florida State University's Panama City Campus
  - Gulf Coast State College
- The Division of Blind Services (DBS) and Division of Vocational Rehabilitation (DVR) offices listed below are closed until further notice. In the meantime, DBS clients are being

directed to the Pensacola office (600 University Office Boulevard), and VR staff has provided clients in impacted areas alternative contact information to receive services.

- Bay (DVR & DBS): 2505 West 15th Street, Panama City
- Gadsden (DVR): 305 West Crawford Street, Quincy
- Jackson (DVR): 4743B Highway 90 East, Marianna
- A number of schools are still operating shelters; for a list of Florida shelters, visit <https://www.floridadisaster.org/planprepare/shelters/>.
- FDOE will be posting up-to-date information regarding closures and meeting cancellations at [www.fldoe.org/hurricaneinfo](http://www.fldoe.org/hurricaneinfo).

## Insurance & Financial Services

- At the direction of Governor Scott, Insurance Commissioner David Altmaier issued an Emergency Order suspending and activating certain insurance rules and statutes for the health, safety, and welfare of Florida's policyholders. Among other provisions, the Order provides:
  - An additional 90 days to policyholders to supply information to their insurance company
  - Prohibits insurance companies from canceling or non-renewing policies covering residential properties damaged by the hurricane for at least 90 days
  - Freezes efforts to increase rates on policyholders for 90 days. A copy of the Order can be found [HERE](#).
- OIR has ordered property insurers to submit claims information from Hurricane Michael on a daily basis until Friday, October 26. Additional data calls will be scheduled.
- Insurance Commissioner David Altmaier and CFO Jimmy Patronis conducted a conference call with representatives of various insurance companies that have policies in force within the regions forecasted to be impacted by Hurricane Michael to ensure those companies:
  - Have resources positioned and available to respond to consumers' needs
  - Assess damage and pay claims quickly
  - Report any challenges or issues as quickly as possible
  - Report claims to the OIR on time and in accordance with the reporting schedule that will be issued later today
- OIR's Incident Management Team remains fully activated. OIR team members will be actively working throughout the recovery phase with consumer advocates, industry stakeholders and entities licensed under OIR's regulatory authority.
- In accordance with the Governor's Executive Order 18-276 and 18-277, OIR has
  - Notified all health insurers, managed care organizations and other health entities of their statutory obligation to allow for early prescription refills during a state of emergency.
    - Health Insurers
    - AHCA
    - DOH
    - FL Pharmacy Assoc.
- Following Hurricane Michael's devastation to the Florida panhandle, CFO and State Fire Marshal Jimmy Patronis deployed emergency insurance villages in Panama City, Tallahassee and Marianna to assist residents with the insurance claims process. The Tallahassee and Panama City locations have closed, and additional villages will be announced in the near future. Details for the Marianna location can be found below:
  - Marianna
    - Where: Lowe's Parking Lot, 4860 Malloy Plaza, Marianna, FL 32448
    - When: Monday, October 22 & Tuesday, October 23 (WILL BE ADJUSTED AS NEEDED) 8 a.m. to 4 p.m. CST
- Teams from OIR and CFO Patronis' Office have traveled to various counties to assess insurance-related needs and facilitate resource deployments to impacted regions. Additional resource deployments will be announced in the near future. So far, the

following activities have occurred in Washington, Franklin, Gulf, Wakulla, Leon, Jackson and Bay counties:

- Wakulla County – Teams met with residents and small business owners to assess needs.
- Franklin County – Teams worked with Sheriff A.J. Smith to assess needs.
- Gulf County – Teams met with the EOC Incident Command team, FEMA representatives, and local officials in Port St. Joe to assess needs.
- Washington County – Teams attended Town Hall Meetings with residents from Vernon to assess needs.
  - Teams will attend a Chipley Town Hall Meeting this evening at 6:30 p.m. CST in the Chipley High School auditorium to assess needs
- Leon – An Emergency Insurance Village is in Tallahassee.
- Jackson – An Emergency Insurance Village is in Marianna.
- Bay – An Emergency Insurance Village is in Panama City.
- The Florida Department of Financial Services’ Division of Consumer Services has resources for consumers seeking assistance with the claims-filing process or to file insurance complaints [HERE](#).
- For information on financial services providers, see below:
  - For a list of Florida’s state-chartered financial institutions and their websites, click [HERE](#).
  - Find your bank’s contact information, click [HERE](#).
  - Find your credit union’s contact information, click [HERE](#).
  - Find your mortgage servicer’s contact information, click [HERE](#).
  - If you don’t have your mortgage servicer’s information with you, you can [search the Mortgage Electronic Registration Systems \(MERS\)](#) or call toll-free at (888) 679-6377 to find the company that services your mortgage.
  - Visit the Florida Office of Financial Regulation’s Hurricane Michael resources [HERE](#).

## State Office Closures

- DMS will stay in contact with all state offices in the impacted areas.
- Open Enrollment is open. State employees can login to People First to begin making benefit choices.
- Aetna and Capital Health Plan are offering free telehealth services to their State of Florida enrollees in the impacted areas. CHP’s service, through Amwell, is available for free through Oct. 27, and can be accessed by typing coupon code MICHAEL on the payment screen prior to your online visit. Aetna’s service can be accessed at [teladoc.com/Michael](http://teladoc.com/Michael) or by calling (855) 764-1727.

## Volunteer Efforts

- Volunteer Florida is continuing to work with more than 9,243 registered volunteers to connect them with volunteer opportunities.
- Volunteer Florida’s 38 Florida Voluntary Organizations Active in Disasters (VOAD) partners are still engaged in response and recovery activities.
- Tarps from FEMA have been sent to logistical staging areas (LSAs) throughout the Florida Panhandle, and Volunteer Florida is coordinating with Florida VOAD partners to pick them up and help with tarping. So far, Florida Baptist Disaster Relief, The Church of Jesus Christ of Latter-Day Saints, Mennonite Disaster Services, Hearts and Hands Disaster Recovery, Team Rubicon and Goodwill have helped install thousands of tarps.
- Two Community Emergency Response Teams (CERT) are administering preliminary damage assessments (PDAs) in Gadsden County. The remaining CERT teams throughout the state are on standby, prepared to mobilize upon Volunteer Florida’s direction.
- Volunteer Florida is coordinating a 100-person team of AmeriCorps members that have

deployed to work sites in the affected areas throughout the Panhandle. They are assisting with critical debris cleanup and tree removal.

- Volunteer Florida has been coordinating with Mass Care (ESF-6) to reach out to individuals on the Living List. So far, 25 volunteers have come to the call center in Tallahassee to make phone calls to survivors.
- Volunteer Florida's partner, Crisis Cleanup, is coordinating voluntary organizations to respond to requests submitted by individuals, as not to duplicate efforts. So far, these organizations have responded to more than 7,082 requests. To submit a request, individuals can call (800) 451-1954.
- Volunteer Florida is coordinating with volunteers in affected areas to begin passing out informational cards with instructions for registering as a volunteer, submitting Crisis Cleanup requests and signing up for FEMA assistance.
- Volunteer Florida is working with corporate donors to help establish comfort centers at nine shelters throughout the Florida Panhandle. This will include bringing games and other activities to the shelters to entertain children and help them feel safe during the displacement period.
- The DMS Division of Real Estate Development and Management secured a lease for a 100,000-square foot warehouse in Tallahassee for Volunteer Florida to use as a distribution site for hurricane relief items. AmeriCorps teams assisted in preparing the warehouse for opening.
- Adventist Community Services are moving tools, supplies, and equipment into the warehouse today in preparation for opening tomorrow. The warehouse will be used to accept and sort trucks of donations that are coming into the Panhandle.
- At Governor Scott's direction, Volunteer Florida has activated the Florida Disaster Fund, the State of Florida's official private fund established to assist Florida's communities as they respond to and recover during times of emergency or disaster. In partnership with the public sector, private sector and other non-governmental organizations, the Florida Disaster Fund supports response and recovery activities. To donate, visit, [www.FloridaDisasterFund.org](http://www.FloridaDisasterFund.org) or text "DISASTER" to 20222 to make a one-time donation of \$10.
- The Salvation Army is working closely with state and local emergency management throughout the Florida Panhandle.
- The Salvation Army has established Incident Commands in Panama City, Apalachicola, and Tallahassee. The Salvation Army has committed 21 mobile feeding units to the Panama City Incident Command (serving Bay, Holmes, and Washington Counties), 10 mobile feeding units to the Apalachicola Incident Command (serving Franklin, Gulf, and Liberty Counties), and 13 mobile feeding units to the Tallahassee Incident Command (serving Calhoun, Gadsden, Jackson, Leon, and Wakulla Counties). Each unit can serve 500-1,500 meals per day.
- The Salvation Army is partnering with Operation BBQ Relief and Southern Baptist Disaster Relief to provide meals for distribution through mobile feeding units, Therapy Dogs International to support emotional and spiritual care efforts, and Midwest Food Bank to provide food boxes and hygiene kits.
- The Salvation Army has deployed three Personnel Support Units (1 bunkhouse and 2 travel trailers) to Panama City, as well as shower trailer to Tallahassee to support staff and volunteers that are providing services.
- As of October 21, The Salvation Army has provided 267,216 meals, 159,414 drinks, 166,781 snacks, 4,849 cases of water, and 21,954 hours of service. Trained personnel have also provided emotional and spiritual care to 20,305 people.
- As of October 21, The Salvation Army has committed more than \$1,914,000 in resources to Hurricane Michael relief efforts.
- Red Cross has 1,115 disaster relief workers in the affected counties with an additional 185 on the way.

## Hurricane Relief Efforts

Beside assistance from your emergency management departments, work with your communities to coordinate donation drop off centers at fire house, county offices, or houses of workshop for supplies to be deliver to those directly impacted by Hurricane Michael. They are in need of: non-perishable packaged or canned goods, disinfectants, flashlights, batteries, first aid kits, snack foods, or paper products.

These donated goods or financial donations should be coordinated through Volunteer Florida.

For commodity donations, email: [HurricaneMichael@volunteerflorida.org](mailto:HurricaneMichael@volunteerflorida.org)

For donations: [volunteerflorida.org](http://volunteerflorida.org)

## State Emergency Operation Center/Contacts

- The State Assistance Information Line (SAIL) contact number is 1-800-342-3557.
- The State Emergency Operations Center Media Line: 850-921-0217.
- Follow @FLSert or @FLGovScott on Twitter for live updates on Hurricane Michael.
- Visit <http://www.floridadisaster.org/info> to find information on shelters, road closures, and evacuation routes.

## State Disaster Recovery Coordinator Contact

As the agency with statutory authority for leading the state's response and recovery efforts for Hurricane Michael, the Division of Emergency Management (Division) is helping Florida's impacted communities transition from life-safety response activities to long term recovery efforts. Just as with the response to the storm, the Division is directing and coordinating the state agencies and all associated programs involved in the recovery process.

As part of this process, the Director of the Division will serve as the State Disaster Recovery Coordinator (SDRC). Under FEMA's National Disaster Recovery Framework, the SDRC will work closely with the Federal Disaster Recovery Coordinator (FDRC) to support, manage and organize recovery efforts on behalf of the state and federal governments.

If you have questions or concerns about your community's recovery from Hurricane Michael, please reach out to the Florida Division of Emergency Management's Deputy Bureau Chief of Recovery Carter Mack at [Carter.Mack@EM.MyFlorida.com](mailto:Carter.Mack@EM.MyFlorida.com).

## NACo Resources

As Hurricane Michael has passed, NACo is providing a suite of county-specific natural disaster resources through the NACo Disaster Resilience Toolkit for Counties, available as part of the IBTS Online Help and Advice for Natural Disasters (OnHAND) website.

<https://ibtsonhand.org/naco/>

## FAC Office Available for Work

**FAC OFFICE IS AVAILABLE - The FAC office is your office**

The FAC office is online and at your disposal should you need space to work from in the days and weeks to come. Please contact FAC Executive Director, Ginger Delegal, at (850) 294-9295 to coordinate.

# All Call for Local Heroes

We want to highlight local heroes! Send us your photos and videos of your county in action before, during and after the storm. Please send to [jlaxner@flcounties.com](mailto:jlaxner@flcounties.com).
