BE A PART OF THE CONVERSATION

Are you a part of the conversation? FACM members have heavily used their Listserv which has served as a sounding board, as well as an excellent communication and information sharing tool for issues facing county managers, such as emergency management, cyber security, 5G small cell, vacation rentals, and unfunded mandates.

ATTEND MEETINGS, NETWORK, & GAIN PROFESSIONAL DEVELOPMENT

FACM also conducts roundtable discussions, meetings and workshops tailored to county managers. This is a great opportunity to gain a support system of fellow county managers while receiving educational benefits and professional development.
