WHEREAS, since the time of the initial emergency declaration, the Governor has issued a series of executive orders which limit the interaction of Flagler County residents and visitors and impede the ability to engage in commerce in order to curtail the spread of the virus; and

WHEREAS, the municipalities and state agencies within Flagler County have also taken protective measures to mitigate the spread of the virus by limiting the in-person interaction and congregating of persons in what would otherwise be daily routines; and

WHEREAS, the County has issued Emergency Order 2020-01, closing its park facilities to the general public and closing the beaches of the County; and

WHEREAS, there are now three confirmed cases of COVID-19 within the County, with that number expected to increase dramatically; and

WHEREAS, the emergency posed by COVID-19 remains very much ongoing, not only within the County and State, but across the entire country and much of the world; and
