

**AN AMENDED AND RESTATED ORDER OF THE ST. LUCIE COUNTY
ADMINISTRATOR REGARDING (CLOSING ARCADES)**

WHEREAS, the St. Lucie County Administrator has made the following determinations:

1. Novel Coronavirus Disease 2019 ("COVID-19") is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

2. In late 2019, a new and significant outbreak of COVID-19 emerged in China; and

3. The World Health Organization previously declared COVID-19 a Public Health Emergency of International Concern; and

4. In response to the recent COVID-19 outbreak in China, Iran, Italy, Japan and South Korea, the Center for Disease Control and Prevention ("CDC") has deemed it necessary to prohibit or restrict non-essential travel to or from those countries; and

5. On March 1, 2020, the Governor of the State of Florida issued Executive Order Number 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

6. On March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

7. On March 7, 2020, the Governor of the State of Florida directed the Director of the Division of Emergency Management to activate the State of Emergency Operations Center to Level 2 to provide coordination and response to the COVID-19 emergency; and

8. On March 9, 2020, the Governor of the State of Florida issued Executive Order Number 20-52 declaring that a state of emergency exists in the State of Florida; and

9. As of March 13, 2020, seventeen counties in Florida have positive cases for COVID-19, and COVID-19 poses a risk to the entire state of Florida; and

10. The CDC currently recommends community preparedness and that everyday prevention measures should be taken by all individuals and families in the United States, including voluntary home isolation when individuals are sick with respiratory symptoms, covering coughs

and sneezes with a tissue and disposal of the tissue immediately thereafter, washing hands often with soap and water for at least 20 seconds, using alcohol-based hand sanitizers with 60%-95% alcohol if soap and water are not readily available and routinely cleaning frequently touched surfaces and objects to increase community resilience and readiness for responding to an outbreak; and

11. The CDC currently recommends mitigation measures for communities experiencing an outbreak including staying at home when sick, keeping away from others who are sick, limiting face-to-face contact with others as much as possible, consulting with your healthcare provider if individuals or members of a household are at high risk for COVID-19 complications, wearing a facemask if advised to do so by a healthcare provider or by a public health official, staying home when a household member is sick with respiratory disease symptoms if instructed to do so by public health officials or a health care provider; and

12. On March 13, 2020, the President of the United States issued a proclamation of a declaration of national emergency; and

13. On March 13, 2020, the Coordinating Officer for the State of Florida Division of Emergency Management issued Emergency Order No. 20-004, authorizing the Department of Education to delay school assessments and to adjust school calendars including rescheduling, extending or cancelling spring breaks.

14. On March 17, 2020, the St. Lucie County Public Safety Director declared a State of Local Emergency Covid-19 Public Health Emergency ("St. Lucie County Declaration of Emergency"); and

15. On March 24, 2020, the Governor of the State of Florida issued Executive Order 20-83 directing the State Surgeon General and State Health Officer to issue a public health advisory to all persons over 65 years of age and persons that have serious underlying medical conditions that place them at high risk of severe illness from COVID-19 urging them to stay home and to take such other measures as necessary to limit their risk of exposure to COVID-19; and

16. Pursuant to Executive Order No. 20-83, the Governor of the State of Florida further directed the State Surgeon General and the State Health Officer to issue a public health advisory against all social or recreational gatherings of 10 or more people; and

17. On March 25, 2020, the State Surgeon General issued a Public Health Advisory consistent with Executive Order 20-83; and

18. On March 25, 2020, the President of the United States declared that a major disaster exists in the State of Florida as a result of COVID-19; and

19. Paragraph 2 of the St. Lucie County Declaration of Emergency provides that the County Administrator may take all actions necessary and appropriate to protect human life and prosperity, to the extent necessary to accommodate the emergency; and

20. COVID-19 rapidly spreads and is particularly dangerous to individuals over the age of 65 with underlying health issues ("High Risk Category"); and

21. Arcades provide activities for the public which are frequented by individuals within the High Risk Category that engage in the activities in close proximity to other patrons. These factors create a situation that results in a high risk of spreading COVID-19 to some of the most vulnerable population. These risks are substantially higher than found in other business enterprises.

NOW, THEREFORE, BE IT ORDERED AS FOLLOWS:
