NOW, THEREFORE, PURSUANT to the authority conferred by Chapter 252, Florida Statutes, and the Ordinance, as Chairman of the Leon County Board of County Commissioners, and

pursuant to Section 2-306 of the Code of Laws of Leon County, after consultation with state and local authorities, I find as follows:

1. State of Emergency. A local State of Emergency continues to exist requiring immediate and expeditious action as a result of the threat of a public health crisis within Leon County and neighboring counties, and will continue to exist for a period of seven days, effective 5:00 p.m. on August 14, 2020, in accordance with Section 2-307 of the Code of Laws of Leon County.

2. Phase 2: Safe. Smart. Step-by-Step. Plan for Florida's Recovery. All persons in Leon County are to abide by Executive Order 20-112, as modified by Executive Orders 20-120, 20-123, and 20-131, and as further modified and extended by Executive Order 20-139 and Executive Order 20-192, and any subsequent amendments or extensions issued thereto.

3. Temporary Rules of Procedure for Use of CMT to Conduct Virtual Meetings. Board Policy No. 01-05, entitled "Rules of Procedure for Meetings of the Leon County Board of County Commissioners," which was revised June 16, 2020, and governs all official meetings of the Board, shall be temporarily modified to allow for the use of communications media technology to conduct virtual meetings, as follows:

(a) Notice of Electronic Public Meetings. The County will post notice of its electronic public meetings in a manner consistent with section 286.011, Florida Statutes. Such notice shall plainly state that a virtual meeting is to be conducted using communications media technology (CMT) and identify the specific type(s) of CMT to be used. Such notice will identify the various platforms available to the public to view the meeting. If a public meeting provides for the opportunity for public comment in general or on a specific item, the notice shall also include instructions regarding how members of the public may submit written comments in a form to be provided by the County on its website, distributed to the members of the Commission in advance of the meeting, and made a part of the meeting record. If the County determines that additional technological means are feasible, practicable, and available for the public to provide comment, the meeting notice will include instructions to the public regarding how members of the public may provide comment using the additional technological means. The meeting notice shall provide the deadline for the submission of public comment in advance of the public meeting, if any.

(b) Public Comment. An online form will be available through the County's website for citizens to provide written public comment prior to a virtual meeting. The online form will be open and available for members of the public to submit comment until a timeframe specified in the meeting notice, if any. The written comments will be compiled and provided to the members of the County Commission in advance of the meeting and entered into the record at the public meeting. Written comments received by the public will be posted on the County's website in advance of the virtual meeting. Public comment received after the deadline for submission will be made available to the members of the County Commission and entered into the record during the meeting, though the County cannot guarantee that the written comments will be posted on the County website prior to the virtual meeting. If the County determines that additional technological means are feasible, practicable, and available for the public to provide comment, such public comment, in whatever format, shall be made

available to the members of the County Commission before action is taken on the matter for which public comment was submitted.

- (c) Supplemental Procedures of Advisory Boards, Councils, and Committees. Each advisory board, council, or committee of the County may supplement the minimum procedures provided in this Continuing Proclamation with additional procedures that promote and preserve the decorum and civility and that enable the expeditious conduct of County business and provide the procedural due process and right of public participation required by law as applied to the nature of the specific hearing or matter. Each such board, council, or committee seeking to adopt supplemental procedures will submit them to the County Administrator for ratification by the Board of County Commissioners.
- (d) Disruptions and Adjournment. If, during the conduct of a public meeting utilizing CMT pursuant to this Continuing Proclamation, the meeting is interrupted through disruptions or glitches in the technology being used, the Chair will recess the meeting until the interruption is resolved. If the interruption cannot be resolved in a reasonable amount of time, the meeting shall be adjourned. The temporary recess or termination of a meeting is to assure compliance with the Sunshine Law.

4. Additional Temporary Modification of Board Policy No. 01-05. Board Policy No. 01-05, entitled “Rules of Procedure for Meetings of the Leon County Board of County Commissioners,” which governs all official meetings of the Board, shall be further temporarily modified to provide that virtual public hearings may be scheduled and heard at 3:00 p.m. or thereafter.

5. Temporary Rules of Procedure for Use of CMT to Conduct Virtual Informal Quasi-Judicial Proceedings. The Board may conduct informal quasi-judicial proceedings using CMT and may provide CMT access to such proceedings for purposes of taking evidence, testimony, or argument. All applicable provisions of the Leon County Code, Board policies, and/or bylaws are hereby temporarily modified to allow for the use of CMT to conduct virtual informal quasi-judicial proceedings, as provided in this Section 5. As used herein, “quasi-judicial proceeding” means a proceeding that results in a decision having an impact on a limited number of persons or property owners, on identifiable parties and interests, where the decision is contingent on a fact or facts arrived at from distinct alternatives presented at a hearing, and where the decision can be viewed as policy application rather than setting policy. The term “quasi-judicial proceeding” is limited to informal quasi-judicial proceedings before the Board.

- (a) Notice of Electronic Quasi-Judicial Proceedings. When the Board chooses to conduct a quasi-judicial proceeding using CMT, it shall provide notice in the same manner as required for a non-CMT proceeding. The notice shall also plainly state that such quasi-judicial proceeding is to be conducted utilizing CMT and identify the specific type(s) of CMT to be used. Such notice will identify the various platforms available to the public to view the meeting. The notice shall plainly state how interested parties may submit comment for consideration and also how persons needing assistance may contact the County to obtain assistance in providing comments.
- (b) Disruptions and Adjournment. No quasi-judicial proceeding otherwise subject to section 286.011, Florida Statutes, shall be conducted exclusively by means of CMT if the available technology is insufficient to permit all interested persons to participate.

If, during the conduct of the quasi-judicial proceeding utilizing CMT, the meeting is interrupted through disruptions or glitches in the technology being used, the Chair shall recess the proceeding until the interruption is resolved. If the interruption cannot be resolved in a reasonable amount of time, the quasi-judicial proceeding shall be continued to another date and time. The temporary recess or continuation of a quasi-judicial proceeding is to assure compliance with the Sunshine Law.

(c) Ex Parte Disclosures. Each Board member shall disclose any ex parte communications prior to consideration of the item.

(d) Evidence, testimony, and argument.

(i) Any evidence, testimony, and argument that is offered utilizing CMT shall be afforded equal consideration as if it were offered in person, and shall be subject to the same objections.

(ii) Oral evidence shall be taken only on oath or affirmation. Persons offering sworn testimony shall be responsible for making appropriate arrangements for offering such testimony, including securing the services of a notary public or other person qualified to administer an oath in the State of Florida. The notary public or other person qualified to administer an oath in the State of Florida shall provide a written certification to be filed with the presiding officer confirming the identity of the witness, and confirming the affirmation or oath by the witness.

(iii) If a party cross-examining the witness desires to have the witness review documents or other items not reasonably available for the witness to review at that time, then the party shall be given a reasonable opportunity to complete the cross-examination at a later time or date for the purpose of making those documents or other items available to the witness.

(iv) If a party or participant wishes to submit documents, evidence, and/or materials for consideration by a Board in connection with a quasi-judicial proceeding, all such documents, evidence, and materials must be submitted at least one (1) day prior to the date of the meeting.

6. Public Education. Due to the extraordinary nature of the Continuing Proclamation and the paramount right of the public to participate in the decision-making process of its local government, the County will make reasonable efforts to publicize the subject matter being considered at its meetings and publicize the requirements of Section 3 of this Continuing Proclamation.

7. Applicability, Limitation, and Termination. Section 3 of this Continuing Proclamation shall apply to all meetings of the Leon County Board of County Commissioners and any of its advisory boards, councils, or committees which operate under the Sunshine Law. Public meetings will comply with all requirements of section 286.011, Florida Statutes, and, for the County Commission, Policy No. 01-05, which have not otherwise been suspended or waived pursuant to Executive Order 20-69, as extended by Executive Order 20-112, Executive Order 20-139, Executive Order 20-150, Executive Order 20-179, and Executive Order 20-193, and this Continuing Proclamation. Section 3 of this Continuing Proclamation shall remain in effect until superseded by action of the Leon County Board of County Commissioners, until modified or terminated by a

subsequent proclamation, or until Executive Order 20-69 expires or is rescinded, whichever first occurs.

THIS PROCLAMATION authorizes the continued activation of the Leon County Comprehensive Emergency Management Plan and the exercise of all powers provided by Chapter 252, Florida Statutes, and Chapter 2, Article VIII of the Code of Laws of Leon County, Florida.
