

# 2022 MEMBERSHIP DRIVE

## ABOUT

FACM provides a forum for county managers to develop professional relationships, discuss current and future issues affecting counties, and provide mentoring opportunities, education, advice and advocacy on statewide issues.

## MEMBERSHIP BENEFITS

### BE A PART OF THE CONVERSATION

Are you a part of the conversation? FACM members have heavily used their Listserv which has served as a sounding board, as well as an excellent communication and information sharing tool for issues facing county managers, such as emergency management, cyber security, COVID-19 issues, state preemptions, and unfunded mandates.

### ATTEND MEETINGS, NETWORK, & GAIN PROFESSIONAL DEVELOPMENT

FACM also conducts roundtable discussions, meetings and workshops tailored for county managers. This is a great opportunity to gain a support system of fellow county managers while receiving educational benefits and professional development. Beginning in June, 2022, FACM will offer its members the opportunity to participate in two types of education tracks being developed by FACM in conjunction with the Institute for County Government and UF/IFAS. More details to follow in the near future!
