

**FLORIDA ASSOCIATION OF COUNTIES, INC.
POLICY**

Subject: National Association of Counties (NACo) Matters

Objective: To establish a policy and procedures for voting for candidates for NACo office during NACo meetings

Voting in Block: At the NACo conference, when county representatives pick up their county's credentials, they should be forwarded to the presiding officer of FAC or the Executive Director to be cast in a block for the candidate endorsed during the FAC caucus to be held during the NACo Annual Conference. Any credentials not picked up by a county shall be picked up by the presiding officer or Executive Director and the proxy shall be voted for the candidate endorsed by FAC.

Voting For Other Than FAC Endorsed Candidate: It is discouraged but recognized that a county may vote for a candidate other than the candidate endorsed by FAC. If a county desires to support a candidate other than the FAC endorsed candidate, a representative from that county must notify the presiding officer or Executive Director prior to the NACo business meeting at which the votes are to be cast in order to apportion out the appropriate Florida vote.
