Veterans Memorial Park & Project GreenShores

National Flight Academy

National Naval Aviation Museum

Hilton Pensacola Beach

1

VETERANS MEMORIAL PARK

For over thirty years, The Veterans Memorial Park of Pensacola has been a pristine setting where visitors from across the country can come to honor America's fallen war fighters in peace and comfort.

2

PROJECT GREENSHORES

Project GreenShores is a multimillion dollar habitat restoration & creation project along Pensacola Bay. This effort partners nine gov't programs, agencies, businesses & volunteers to restore oyster reef, salt marsh & seagrass habitat.

3

INSTITUTE FOR HUMAN & MACHINE COGNITION

IHMC is a not-for-profit research institute of the FI. University System and is affiliated with several FI. universities. IHMC main campus in historic downtown Pensacola opened in 1999 as part of the city's urban core revitalization.

4

NATIONAL FLIGHT ACADEMY

NFA provides a launchpad for students, adults, and corporate teams to explore the power of STEM through programs based on real-world Naval Aviation missions. It all takes place on AMBITION CVT-11, a four-story, 102,000 sq. ft simulated aircraft carrier!

5

NATIONAL NAVAL AVIATION MUSEUM

Located aboard historic Naval Air Station Pensacola, Florida, the Museum is one of the largest aviation museums in the world. The Museum is alive with history and adventure. Each year, visitors by the thousands marvel at restored aircraft, authentic memorabilia and experience unique adventures.
